I'm checking with Randy Parker on when this info is needed. I don't have dates for the phases, but I'll see what I can come up with. Might as well pull together totals now (with dates if possible, and we can divide into phases later based on dates).

Yes, will by the end of the day be sufficient. Can you send me dates when phase 3, 4, and 5 occurred. To my knowledge, nothing was marked by phase.

MarySue,

Randy Parker left me a message saying Cindy Sonic-Mullin wanted to know extramural and travel costs for our efforts on the Pavillion project. Randy said they did not need to be exact (to the penny), but roughly, what has been spent. It would be good if we could get the numbers by phase (3, 4, and 5) as well as totals. Please let me know what's doable. I'm on the road this week, so drop me an email if you have questions. Thanks.
